

# Shining Stars Childcare, LLC

*Dear Parents,*

*Welcome to Shining Stars Childcare, LLC (Shining Stars)!*

*I believe every child should be given the opportunity to shine like a star! I will support the needs of every child so that they may reach their full potential. At Shining Stars, it is my mission to partner with parents and provide children with developmentally appropriate activities and materials in a safe, loving and fun environment where they are free to explore and learn.*

*Shining Stars uses the experiential education techniques to reflect on one's experiences to learn and grow. The experiential education philosophy uses many methodologies to engage with learners in direct experience and focused reflection in order to increase knowledge, develop skills, clarify values, and develop their capacity to contribute to their communities.*

*At Shining Stars, children will be encouraged to explore and ask questions, create and discover, build relationships with their peers, and become confident learners.*

*Thank you for choosing Shining Stars. I look forward to working with you to help your child reach their full potential!*

*Thank you,*

*Stephanie Hamburg*
